WILL BRING BODY HERE.

C. Conrad, an Early Settler of Nodaway County, Died at Holdenville, Okla., Monday Night.

C. Conrad, the father of George and F. C. Conrad of this city, died Monday night in Holdenville, Okla., at the home of his daughter, Mrs. Levi Taylor. The message containing the news of his death was quite a surprise to his sons in this city, as he was in his usual health when they heard from him a few days ago.

F. C. Conrad left for Holdenville Tuesday evening and will accompany the body to Maryville for burial. The funeral will take place here either Thursday or Friday.

Mr. Conrad was 91 years old September last. Previous to his removal to Oklahoma nine years ago he had been a resident of Nodaway county since 1856. He was born in Fishbaugh, Germany, September 5, 1821. He received a good education in his own country and was principally brought up on a farm, but also learned the tailor trade. In 1843, he came to America and settled at Baltimore, Md., moving from there to St. Louis in 1853, where he engaged in tailoring. Three years later he came to Nodaway county and invested in land and became a large owner. During the civil war he served three years in the state militia, and participated in the battles of Springfield, on the Blue in Jackson county, and others.

Mr. Conrad was married in Baltimore in 1845 to Miss Christian Ruff of that city. Mrs. Conrad's death occurred a number of years ago. They had four children, Louise, now Mrs. Levi Taylor of Holdenville, Okla.; George Conrad and F. C. Conrad of this city, and Dora, now Mrs. Henry Eckert of this city.

Mr. Conrad was a member of the Lutheran church and of the I. O. O. F. lodge. He was a rugged, fine old character, but as gentle as a child in his sympathies.

DEATH OF MRS. BUEL WIGLEY.

Was Formerly Miss Alice Badger of Maryville—Funeral Wednesday at Chillicothe.

Mrs. Joseph Jackson, Jr., and Mrs. E. B. Baker of this city received a phone message early Tuesday morning from Mrs. George Maybee of Chillicothe, Mo., telling of the death of her sister, Mrs. Buel Wigley of that place.

Mrs. Wigley suffered a nervous breakdown a week ago and was taken to the hospital in Chillicothe for treatment. Her death was a shock to her relatives and friends.

Mrs. Wigley came to Maryville in July to attend the wedding of Miss Hazel Petty and Rev. J. D. Hayden, and remained for three weeks as the guest of Mrs. Joseph Jackson, Jr. She had many friends in this city whom she had known during her school days while living in Maryville with her brother and sisters, and will be well remembered as Miss Alice Badger. She is survived by her husband, who is a druggist at Chillicothe, and three brothers and three sisters, older than herself. They are Mrs. George Maybee of Chillicothe, Mrs. Charles Nave and Mrs. George Lucas of Kansas City, William Badger of St. Joseph; Edward Badger of Kansas City and Walter Badger of Los Angeles.

Mrs. Harvey Craig Died.

Miss Antoinette Craig received a message Monday evening telling of the death of her sister-in-law, Mrs. Harvey Walton Craig in Kansas City. A delay in the message made it impossible for Miss Craig to leave for Kansas City in time to attend the funeral which was held Tuesday noon. Mrs. Craig had been an invalid for some time. Her death occured Sunday as she stepped from a motor car at the union station to take a train with her husband.

Mrs. A. S. Byerrum of Pickering went to Kirksville Monday to visit her brother, Dr. C. A. Bone.

PAY BIG SALARIES

MEN AT HEAD OF CONCERT DEPARTMENT ARE HIGH PRICED.

FEATURE IS A SPECIALTY

All the Stores of the Field-Lippman Company Are Giving Free Public Musical Concerts.

Messrs. O. A. Field and W. A. Lippman returned to St. Louis last night, after spending Monday viewing the new store on Main street and looking over conditions in this vicinity. Mr. Field came to Maryville Monday noon from Kansas City, en route from the Texas branches of the Field-Lippman piano stores, and Mr. Lippman came in Sunday morning over the Wabash, accompanied by his little son "Billie," who has spent two days with his grandmother at Valley View Farm, south of town.

Messrs. Field and Lippman state that they are more than pleased with the new location, and anticipate a large increase in business as the result of the move. It has been found necessary to move two other stores of the concern, in Kansas City and Dallas, owing to the demand for more room at these points. In addition to this the St. Louis and San Antonio stores have been thoroughly rebuilt and made as commodious and luxurious as possible, it being the aim of the officers of the Field-Lippman concern to make each store the handsomest and most convenient in its vicinity.

A liberal program of concerts is a point of the Field-Lippman plan. The men at the head of this concert department are among the highest salaried in this country doing work of this kind, and those who listened to the work of George T. Breeckow, the European player-pianist, who played the player-piano Monday afternoon and evening, could only know from the presence of the music roll in the front of the piano that it was not really hand played music. The touch and the artist could be heard and felt in the rendition of the classical compositions, and popular music took on a new meaning as played by one who studies this new wonder.

The Field-Lippman concern, by the way, is giving away a nice souvenir calendar to callers at the store this week, and as long as the supply lasts each visitor will be given one.

The officers regret the limitations of the calendar supply, but did not expect so great a demand. Any who fail to receive one now will be sent one later if they leave their name and postoffice address.

The firm takes a great pride in this new store, especially on account of the kindly reception which has been given the new venture in this city, the birthplace of Mr. Lippman and scene of his early life and schooling.

Attention is called to the error made in advertising a concert in the store for Wednesday evening. Owing to the production of the opera of "Erminie," in courtesy to the Christian church they will not give a concert Wednesday evening, but otherwise the program will be as announced.

The ever popular singing of Mrs. F. P. Robinson and Mrs. H. J. Becker was a distinctive feature that was unannounced in Monday's program.

FAVORS SINGLE TAX

JUDGE ALDERMAN ADVANCES ARGUMENT IN FAVOR.

THINKS IT IS EQUITABLE

The "Other Side" Presented in a Communication From Prominent Citizent of the County.

To the Voters: You will be called upon to vote yes or no, November 5th, on a number of constitutional amendments, and among them what is known as the single tax, or amendments 6 and 7. Perhaps no proposition is less understood by the average voter.

I make no pretense to expert knowledge on this important question, but have given it some study. I believe it safe to assume that all concede our present tax system is very imperfect, and, for some years, special effort has been unsuccessfully made by our governors and legislatures for reforms.

There seems an anti-single tax propaganda specially directed to the farmer that seems to me more prejudicial than argumentative, and to this voting class may I present a few facts.

First, I present a query from an evident intelligent farmer anti-single-tax standpoint as characteristic:

"If there is no account taken of Senator Clark's thirteen million dollar mansion in New York in the estimation of values, what is to make one land more valuable than any other? United States bond are more in demand because of them being non-taxable. Would not taxation of lands and of exemption of personal property have a natural tendency to lessen land values and exalt personal property values?"

I will answer, not directly, but if facts show that the farmer pays more taxes in Missouri under the present system relatively, may not single tax opponents be in possible error?

These facts are deduced from the report of Hon. Cornelius Roach, secretary of state, for the year 1909-10, showing that the total real estate assessment June 1, 1908, in St. Louis and six counties having the largest urban population was one-third more than in rural Missouri, assuming that the balance of the state is rural. That is, the urban assessment equaled 60 per cent of total assessment, while the rural assessment equaled but 40 per cent. On the other hand, as to personal property assessments of same date, the urban assessment was but 45 per cent while the rural was 55 per cent. Analyze these facts and this plain fact appears:

For every one million dollars of revenue by taxation on real estate the urban population paid $600,000 as against $400,000 for the rural population; but for every one million dollars of revenue raised on personal property assessment the urban population paid but $450,000 as against $550,000 by ruralists.

Thus it clearly appears if two million dollars had been raised from real estate on present basis and under present laws and none from personal estate, the ruralists, or farmer, would have been $150,000 ahead. Under the single tax amendment, if it had been the law, this two million dollars of revenue would have come not from real estate, but land values, and who is it that does not know that land values are highest in urban territory?

Two years ago I visited Oklahoma City, and a friend there who owns large property, showed me around between trains. Passing a close in vacant lot I asked its probable value. The reply was:

"I do not know. The owner won't sell it and has refused an offer of $10,000 annual rent for a ninety-nine year lease of the lot."

Thus you see the owner was saving taxation by keeping this idle property to get increased value out of it from the labor and industry of adjoining property owners, and city population increase, all earned by his fellows and not a dollar by himself. The land value of this lot was its rental value, at least $10,000. I did not learn its assessed value, but if like the real estate average in Missouri, city and country, its assessment value was probably $2,500 or $3,000.

This is the picture I present to you, and I submit that the question is worth candid thought and study, and that no one can afford to blindly condemn it. As at present advised, I believe that adoption of the amendments 6 and 7 promises betterment to our great state.

IRA K. ALDERMAN.

TRY FOR IT AGAIN

WANT THE SHORT COURSE HELD HERE THIS YEAR.

GOING AFTER APPLICANTS

Committee Appointed to Solicit Among Farmers and Try to Arouse Interest.

Maryville will not have much chance of securing a branch short course in agriculture this year unless some hard work is done and more interest is taken in the matter. J. F. Hull who was in Columbia, Mo., Saturday had a talk with Dean Mumford of the agriculture college of the State University and was informed that there were 150 applications already in for these short courses, and that the state college of agriculture would only conduct ten or twelve of these courses. Mr. Hull was also told by Mr. Mumford, who is in charge of these courses, that the college did not want to conduct these courses in the same towns that they were in last year, but that they would if sufficient interest and a large enrollment is secured.

Mr. Hull, who is secretary of the short course executive committee called a meeting of that committee, which was held Tuesday morning and it was decided to commence work at once on securing names of the farmers of the county who will attend this course. The members of this committee are D. R. Eversole, S. H. Kemp, J. F. Hull, W. M. Oakerson, F. C. Conrad and W. O. Garrett. Mr. Garrett takes the place of Adolph Lippman on the board, as Mr. Lippman resigned.

The committee also decided and appointed a committee to go in automobiles over the county to secure the names of farmers who are interested. The tour will be made Friday and the men selected to make the trip were:

E. A. Baker, Ben Chandler, Byron Croy, Prof. John E. Cameron, C. J. Eckert, W. O. Garrett, H. W. Hull, Henry Moore, A. R. Harper, Ernest Wray, W. W. Jones, Andrew Jenson, D. F. Mitchell, Geo. W. McMurray, G. H. Null Lon White, Lawrence Ogden, J. I. Hoffman, Fred Hull, D. R. Eversole, Frank Roelofson, C. D. Bellows, Ernest Bainum, R. H. Duncan, Guy Mutz, Paul Sisson, J. L. Partridge, Rev. C. R. Green, I. O. Kelley Geo. B. Baker, James Todd, Jos. Jackson, Jr., John D. Richey.

The application blank with the names of those who will attend the course, will have to be sent in by November 14. It is thought that if a large number are enrolled, that there will be no doubt about Maryville getting a course of agricultural lectures.

IF A LAXATIVE IS NEEDED—"CASCARETS"

Salts, Calomel and Cathartic Pills are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowels action; a clear head and cheerfulness for months. Don't forget the children.—Advertisement.

'Twas a Gay Hallowe'en Party.

Mrs. R. P. Hosmer gave a Hallowe'en party Saturday afternoon for her daughter, Margaret Louise, some forty of the little girl's friends enjoying with her their first experience in meeting the witches and other strange creatures of this funny time of the year. Mrs. Hosmer was assisted in entertaining and serving the little folks by Miss Elizabeth Leet, Miss Lucile Wright, Miss Marie Brink, Miss Pearl McClurg and Misses Ola and Ora King. The rooms were all darkened and lighted throughout by jack-o'lanterns, each electric light showing a fiery red face, and the elaborate use of red haws and popcorn strung over a rich profusion of autumn leaves made a place bewitching as could be, and it was no wonder that real witches with black faces and dressed in white, and black cats and owls came to the party, for it was just such a beautiful place they live in all the time, and they had a right to to come. Some of the grown people there thought it was a terribly spooky place, but all the children were completely charmed by their surroundings, for they had all been good and not one had any reason to fear the presence of the good witches. One of the witches had a booth and gave each guest a hot potato and a cold oyster when they held out their hand to her through an opening in the booth. Some of the big folks were frightened when the witch gave them their treat, but none of the little folks were, for they had all been good, you see, and one little girl asked her mother what kind of a little animal it was that licked her hand when she got her treat from the witch. In the peanut contest, Forrest Martin and Donald Bellows cut for the boy's prize, Forrest winning, and Halcyon Hooker won the girls prize, both of which were peanut men and women. Pauline Eckert won the prize in eating apples from a string, a red apple with a black cat pin cushion on top. There was a fish pond, too, and everybody fished a Hallowe'en favor from it. In the dining room a regular Hallowe'en luncheon was served from the dining table, and it certainly was beautiful. A large basket made of autumn leaves and filled with red apples was placed at each corner of the table, while in the center was a huge jack-o'lantern. The sideboard was banked with autumn leaves and lighted with jack-o'lanterns. The napkins were covered with pictures of black cats, owls and witches. The refreshments were brought in on plates by real witches, and consisted of miniature pumpkin pies, ginger bread cookies in the form of ducks and cats with currant eyes, popcorn balls, apples and sweet cider.

The little guests included: Mayme Grems, Odette Wilderman, Louise and Alice Peery, Harriett Miller, Mabel and Evelyn Raines, Mabel Geise, Genevieve and Mary Todd, Esther Roseberry, Eva Margaret Frank, Opal Moss, Melba Barber, Victor Moore, Jr., Homer Ogden, Donald Bellows, Pauline Eckert, Ethel Martha Condon, John Sewell, Jr., Forest Smith, Harold Miller, Halcyon Hooker, Robert Westfall, Virginia Bell Dean, Joseph Ford Jackson, Orrell Anderson, Marvin Catterson, Helen King, Stanley Davis, Harold Kemp, Forest Martin, Marvin Westfall.

This Cushion Gives You Extra Wear

That's one of the things you'll like about Dr. A. Reed Cushion Shoe. It's not only the easiest shoe you ever put your foot into, but it wears much longer than ordinary shoes. Gives you months of extra wear—simply because the soft cushion insole spreads your weight over the whole sole—spreads the wear over the whole sole, and takes up the jarring and the grinding that wear through a common leather shoe so quickly.

Dr. A. Reed Cushion Shoe

Make it your business to come in tomorrow and see this shoe. There is nothing like it if you have to be on your feet much—for it does away entirely with tired, aching, burning feet—ends corns and bunions and keeps your feet normal and healthy. Makes walking easier—saves shoemaker bills. Let us show you the many styles tomorrow.

TEMPORARILY AT PEACE IN CUBA

Leaders of Rival Political Factions Sign Truce Agreement.

GOVERNMENT IS STILL VIGILANT

Cavalry Patrols Doubled and Armed Troopers Ride Principal Streets of Havana—Wild Rumors of Plots and Counterplots.

Havana, Oct. 29.—The leaders of the rival parties having signed an agreement to suspend all political meetings and having requested the partisan press to abstain from exciting utterances, it appears reasonably probable that no further political disorders will occur.

The election will be held November 1, and the government is not relaxing its precautions to crush in the bud any outbreak.

Zayas Confers With Gomez.

The cavalry patrols were doubled at night. Troopers, fully armed, are riding in pairs in the principal streets but there is no sign of trouble.

Alfred Zayas, with various liberal leaders, had a conference of several hours with President Gomez and Secretary of State Sanguily. Senor Zayas said afterward that the conference related solely to complaints received from various parts of the island that rural guards were behaving unfairly towards the Liberals with the apparent intent to intimidate them and deter them from going to the polls.

Absolute Fairness Promised.

Senor Zayas also said the president had given assurance that he would see to it that absolute impartiality was observed by the rural guards and the police.

Various rumors are current. One had it that a plot had been discovered in which the police were implicated, to shoot Gen. Mario Menocal, the Conservative candidate for the presidency, from ambuscade during the passage of the Conservative procession.

Another was that the Zayaistas contemplate remaining away from the polls, alleging the impossibility of winning the election for the reason that the whole influence of the administration had been thrown in favor of Gen. Menocal. The Conservatives, on their part, accused the administration of favoring Alfredo Zayas.

DECISION IN KANSAS RATE CASE

Interstate Commerce Commission Refuses Reparation to Ottawa Nurseryman.

Washington, D. C., Oct. 29.—It was held by the interstate commerce commission as a principle that "where there are two routes between the same points over which different rates apply, a shipper who elects to ship his traffic over the route carrying the high rate is not entitled to an award of damages merely because a lower rate was in force via the other route."

This was laid down in the case of A. Willis & Co., of Ottawa, Kan., against the Atchison, Topeka & Santa Fe railway and others, the commission declining to grant reparation on shipments of nursery stock.

MAY SETTLE STANDARD OIL CASE

Taking of Testimony Stopped Pending Probable Sale to Waters-Pierce Interests.

New York, Oct. 29.—The taking of testimony of John D. Archbold in the Standard Oil-Waters-Pierce litigation was postponed until Thursday, pending the determination of negotiations to settle the suit out of court. Although counsel for neither side would discuss the case, it became known that Mr. Archbold, John D. Rockefeller and other Standard Oil interests offered to sell their holdings in the Waters-Pierce company to H. Clay Pierce, thus settling the fight for control. The deal would involve $3,000,000, it was said.

Boy a Good Stock Judge.

Columbia, Mo., Oct. 29.—In competition with 42 students representing 14 agricultural colleges in the United States, H. C. Heaton of the University of Missouri won second place in the individual stock judging contest at the national dairy shows, which just ended in Chicago. He will receive two scholarships, each for $400. He won first place in the judging of Jersey cattle.

A Bishop Twenty-Five Years.

St. Joseph, Mo., Oct. 29.—The silver jubilee of Bishop Maurice F. Burke of the Roman Catholic church was observed here with pontifical high mass at St. Joseph's cathedral and a dinner to the clergy at the cathedral residence. At the request of the bishop, no invitations to the celebration were extended to churchmen outside St. Joseph.

Bryan Goes to Oklahoma.

East St. Louis, Ill., Oct. 29.—With a speech here, W. J. Bryan completed a tour of Illinois in the interests of Democratic candidates from presidential down to legislative. He departed for Oklahoma, where he is to make another series of addresses.

UNTIL 1922!

Here's The Answer!

Our 1912 Pianos and Player-Pianos are guaranteed until 1922. To impress this fact upon your mind we have for the past week published in the newspapers the words "Until 1922." Now do a little reasoning on your own part. Don't you believe that anything guaranteed that long, be it a motor car, watch, Piano or Player-Piano, is a pretty safe article to buy? If it shows no defects in material or workmanship in ten years will it not be likely to last a lifetime?

Monday, October Twenty-Eight, We Open

The Finest Piano Store West of Chicago

The new Field-Lippman Piano Store offers to Maryville and Nodaway county people, all the advantages enjoyed by those who live in the big cities. You may now buy the world's greatest pianos, player-pianos and talking machines at the same prices as the man in New York, Chicago or St. Louis. From the time we opened our Maryville Store we were determined that it should equal any piano store in the country, both in quality of goods offered, lowest prices, and service.

The fact that we buy for eight big stores and for cash, has always assured you highest quality pianos at city prices, and we have spared no labor or expense to make our service meet your wants in every respect.

In order to further improve our service we have leased for a term of years, the fine storeroom at 208 North Main street, and which has been decorated at great expense by the owner of the building and by us. No city in the west has a finer, more beautiful piano display room. We shall now be able to give you better service in every way by reason of our new and larger quarters, which your increasing patronage has made necessary.

The Field-Lippman Pianos

These pianos are made according to our plans and specifications, under our direct supervision. Cost of materials and workmanship has been absolutely disregarded—the very best of each that money can buy being used in the manufacture of Field-Lippman Pianos. Our signature on each piano is a lifelong guarantee of its quality. The prices are no higher than many ordinary pianos—from $325 up, for the uprights and $675 for the grands.

We are also exclusive agents of the middle west for the Kranich & Bach Pianos, Grands $700, uprights $425, Player-Pianos $800; Hobart M. Cable Pianos $325, Player-Pianos $625; Melotone Pianos $200, Melotone Player-Pianos $365; Lorraine Pianos $175, Player-Pianos $425. Your present piano or talking machine outfit will be accepted as part payment and easy terms may be arranged monthly, quarterly or yearly.

Immediate Service Victor Department

Service

The motto of our new Victor Department is "Immediate Service." We realize that as there are other dealers selling Victor machines and records, we must render the public some special service in order to obtain special recognition for our Victor Department. We could conceive of nothing that would please so many people as "Immediate Service." Therefore, we have arranged for the immediate delivery of every order received—especially records.

NOTE—If, for any reason, you must have records for the same evening or even afternoon, call Hanamo 160 or Bell phone 45 and give us your order—the records will be there on time.

Victrolas

Every Victrola made is here on display—from the modest $15 Victrola IV, to that most perfect of all musical instruments, Victrola XVI, which sells for $200. No matter what priced Victor you buy, you are sure to obtain the wonderful Victor tone, for the same disc records are used on all Victors and Victrolas. We invite you to a demonstration of the Victrola in our beautiful new Victor Department. Courteous attendants will show you our complete stock, and play as many selections as you may wish to hear. Victors or Victrolas may be had either for cash or on easy terms—as low as $1.00 a week—any one may now own a Victor.

Records

Here are gathered the world's musical treasures. You may hear the wonderful voices of Caruso, Dalmores, Plancon, Calve, Eames, Farrar, or Schumann-Heink—the marvelous violinists, Kubelik and Mischa Elman, and the famous Paderewski on the piano. Herbert's Orchestra or Sousa's Band will play for you—you may listen to beautiful quartet music, male choirs, light opera—all the grand operas and classics are yours to command. The price of this wonderful entertainment is trifling—a few years ago it could not be bought at any price—today many double records may be had for as little as 75c, and don't forget that you may order from your catalogue by phone, Hanamo 160, Bell 45, and get Immediate Service.

We invite you to come and see us. Bring the family and let them enjoy the music. Hear the latest Victrola songs and band concerts. Listen to the new music rolls played on the player-piano—or play them yourself—come and see a real piano store—you won't be asked to buy.

BARNARD.

Robert Bridges and wife have returned from their extensive visit to the east. They report a delightful and profitable time.

Rev. Mr. DeWitt, pastor of the M. E. church, South, returned home Saturday from Hamburg, Ia., where he has been assisting the pastor of that place in a meeting.

Rev. W. E. Royston made a lecture tour through the northern half of Andrew county last week in the interest of the Missouri Wesleyan college, and reports a successful campaign.

Mr. Will Rasco is out to his father's place this week painting a barn.

Dale Whitehurst, the new editor of the Barnard Bulletin, has improved our local paper in many respects, and his success is very hopeful.

The Commerce club of St. Joseph created quite a stir in Barnard last Thursday with their splendid music, novelties and speeches. May they return soon.

Rev. W. E. Royston preached his first sermon for this conference year Sunday morning to a large crowd. His text was taken from I Cor. 3:9. The leading thoughts of his sermon were: Work, co-operation and consecration.

Mr. M. V. Baker and wife returned Wednesday from a six weeks' tour in the west.

Mr. Alonzo Loffer of Imperial Valley, Lower California, is in our midst. He is being "shown" by C. T. Graves, and hopes to take back with him a lot of Missouri Jerseys. Mr. Loffer tells of one hundred men forming a co-operative creamery, investing one hundred dollars each. At the end of twelve months after opening for business they had made one million and forty-one thousand pounds of butter, and returned $30 to each member of the company and had to their credit in the bank $11,426. It is proposed to place two thousand more Jersey cows in the community. Many of our people need not be told that this marvelous wealth producing section was once the Salton sea. The place that is "hotter" is not on earth.

WILL BRING BODY HERE.

C. Conrad, an Early Settler of Nodaway County, Died at Holdenville, Okla., Monday Night.

C. Conrad, the father of George and F. C. Conrad of this city, died Monday night in Holdenville, Okla., at the home of his daughter, Mrs. Levi Taylor. The message containing the news of his death was quite a surprise to his sons in this city, as he was in his usual health when they heard from him a few days ago.

F. C. Conrad left for Holdenville Tuesday evening and will accompany the body to Maryville for burial. The funeral will take place here either Thursday or Friday.

Mr. Conrad was 91 years old September last. Previous to his removal to Oklahoma nine years ago he had been a resident of Nodaway county since 1856. He was born in Fishbaugh, Germany, September 5, 1821. He received a good education in his own country and was principally brought up on a farm, but also learned the tailor trade. In 1843, he came to America and settled at Baltimore, Md., moving from there to St. Louis in 1853, where he engaged in tailoring. Three years later he came to Nodaway county and invested in land and became a large owner. During the civil war he served three years in the state militia, and participated in the battles of Springfield, on the Blue in Jackson county, and others.

Mr. Conrad was married in Baltimore in 1845 to Miss Christian Ruff of that city. Mrs. Conrad's death occurred a number of years ago. They had four children, Louise, now Mrs. Levi Taylor of Holdenville, Okla.; George Conrad and F. C. Conrad of this city, and Dora, now Mrs. Henry Eckert of this city.

Mr. Conrad was a member of the Lutheran church and of the I. O. O. F. lodge. He was a rugged, fine old character, but as gentle as a child in his sympathies.

DEATH OF MRS. BUEL WIGLEY.

Was Formerly Miss Alice Badger of Maryville—Funeral Wednesday at Chillicothe.

Mrs. Joseph Jackson, Jr., and Mrs. E. B. Baker of this city received a phone message early Tuesday morning from Mrs. George Maybee of Chillicothe, Mo., telling of the death of her sister, Mrs. Buel Wigley of that place.

Mrs. Wigley suffered a nervous breakdown a week ago and was taken to the hospital in Chillicothe for treatment. Her death was a shock to her relatives and friends.

Mrs. Wigley came to Maryville in July to attend the wedding of Miss Hazel Petty and Rev. J. D. Hayden, and remained for three weeks as the guest of Mrs. Joseph Jackson, Jr. She had many friends in this city whom she had known during her school days while living in Maryville with her brother and sisters, and will be well remembered as Miss Alice Badger. She is survived by her husband, who is a druggist at Chillicothe, and three brothers and three sisters, older than herself. They are Mrs. George Maybee of Chillicothe, Mrs. Charles Nave and Mrs. George Lucas of Kansas City, William Badger of St. Joseph; Edward Badger of Kansas City and Walter Badger of Los Angeles.

Mrs. Harvey Craig Died.

Miss Antoinette Craig received a message Monday evening telling of the death of her sister-in-law, Mrs. Harvey Walton Craig in Kansas City. A delay in the message made it impossible for Miss Craig to leave for Kansas City in time to attend the funeral which was held Tuesday noon. Mrs. Craig had been an invalid for some time. Her death occured Sunday as she stepped from a motor car at the union station to take a train with her husband.

Mrs. A. S. Byerrum of Pickering went to Kirksville Monday to visit her brother, Dr. C. A. Bone.

Mrs. Fayette Bellows went to St. Joseph Tuesday morning to spend the day with Mrs. John J. Walsh.

PAY BIG SALARIES

MEN AT HEAD OF CONCERT DEPARTMENT ARE HIGH PRICED.

FEATURE IS A SPECIALTY

All the Stores of the Field-Lippman Company Are Giving Free Public Musical Concerts.

Messrs. O. A. Field and W. A. Lippman returned to St. Louis last night, after spending Monday viewing the new store on Main street and looking over conditions in this vicinity. Mr. Field came to Maryville Monday noon from Kansas City, en route from the Texas branches of the Field-Lippman piano stores, and Mr. Lippman came in Sunday morning over the Wabash, accompanied by his little son "Billie," who has spent two days with his grandmother at Valley View Farm, south of town.

Messrs. Field and Lippman state that they are more than pleased with the new location, and anticipate a large increase in business as the result of the move. It has been found necessary to move two other stores of the concern, in Kansas City and Dallas, owing to the demand for more room at these points. In addition to this the St. Louis and San Antonio stores have been thoroughly rebuilt and made as commodious and luxurious as possible, it being the aim of the officers of the Field-Lippman concern to make each store the handsomest and most convenient in its vicinity.

A liberal program of concerts is a point of the Field-Lippman plan. The men at the head of this concert department are among the highest salaried in this country doing work of this kind, and those who listened to the work of George T. Breeckow, the European player-pianist, who played the player-piano Monday afternoon and evening, could only know from the presence of the music roll in the front of the piano that it was not really hand played music. The touch and the artist could be heard and felt in the rendition of the classical compositions, and popular music took on a new meaning as played by one who studies this new wonder.

The Field-Lippman concern, by the way, is giving away a nice souvenir calendar to callers at the store this week, and as long as the supply lasts each visitor will be given one.

The officers regret the limitations of the calendar supply, but did not expect so great a demand. Any who fail to receive one now will be sent one later if they leave their name and postoffice address.

The firm takes a great pride in this new store, especially on account of the kindly reception which has been given the new venture in this city, the birthplace of Mr. Lippman and scene of his early life and schooling.

Attention is called to the error made in advertising a concert in the store for Wednesday evening. Owing to the production of the opera of "Erminie," in courtesy to the Christian church they will not give a concert Wednesday evening, but otherwise the program will be as announced.

The ever popular singing of Mrs. F. P. Robinson and Mrs. H. J. Becker was a distinctive feature that was unannounced in Monday's program.

Kansas Visitors Leave.

Mrs. Mary Swank of Stanberry, who has been spending a few days with her step-daughter, Mrs. F. C. Conrad, and family, returned home Monday.

Visited His Sister.

Claude Majors of Emporia, Kan., visited his sister, Miss Mary Fordyce, from Saturday until Monday evening.

Mrs. S. M. Smith and son, George, of St. Joseph were guests on Sunday and Monday of Mrs. Smith's parents, Mr. and Mrs. W. A. Townsend.

Mrs. Minnie Kelley of Pickering went to Burlington Junction Monday evening to visit her sister, Mrs. Cora Spangler.

FAVORS SINGLE TAX

JUDGE ALDERMAN ADVANCES ARGUMENT IN FAVOR.

THINKS IT IS EQUITABLE

The "Other Side" Presented in a Communication From Prominent Citizent of the County.

To the Voters: You will be called upon to vote yes or no, November 5th, on a number of constitutional amendments, and among them what is known as the single tax, or amendments 6 and 7. Perhaps no proposition is less understood by the average voter.

I make no pretense to expert knowledge on this important question, but have given it some study. I believe it safe to assume that all concede our present tax system is very imperfect, and, for some years, special effort has been unsuccessfully made by our governors and legislatures for reforms.

There seems an anti-single tax propaganda specially directed to the farmer that seems to me more prejudicial than argumentative, and to this voting class may I present a few facts.

First, I present a query from an evident intelligent farmer anti-single-tax standpoint as characteristic:

"If there is no account taken of Senator Clark's thirteen million dollar mansion in New York in the estimation of values, what is to make one land more valuable than any other? United States bond are more in demand because of them being non-taxable. Would not taxation of lands and of exemption of personal property have a natural tendency to lessen land values and exalt personal property values?"

I will answer, not directly, but if facts show that the farmer pays more taxes in Missouri under the present system relatively, may not single tax opponents be in possible error?

These facts are deduced from the report of Hon. Cornelius Roach, secretary of state, for the year 1909-10, showing that the total real estate assessment June 1, 1908, in St. Louis and six counties having the largest urban population was one-third more than in rural Missouri, assuming that the balance of the state is rural. That is, the urban assessment equaled 60 per cent of total assessment, while the rural assessment equaled but 40 per cent. On the other hand, as to personal property assessments of same date, the urban assessment was but 45 per cent while the rural was 55 per cent. Analyze these facts and this plain fact appears:

For every one million dollars of revenue by taxation on real estate the urban population paid $600,000 as against $400,000 for the rural population; but for every one million dollars of revenue raised on personal property assessment the urban population paid but $450,000 as against $550,000 by ruralists.

Thus it clearly appears if two million dollars had been raised from real estate on present basis and under present laws and none from personal estate, the ruralists, or farmer, would have been $150,000 ahead. Under the single tax amendment, if it had been the law, this two million dollars of revenue would have come not from real estate, but land values, and who is it that does not know that land values are highest in urban territory?

Two years ago I visited Oklahoma City, and a friend there who owns large property, showed me around between trains. Passing a close in vacant lot I asked its probable value. The reply was:

"I do not know. The owner won't sell it and has refused an offer of $10,000 annual rent for a ninety-nine year lease of the lot."

Thus you see the owner was saving taxation by keeping this idle property to get increased value out of it from the labor and industry of adjoining property owners, and city population increase, all earned by his fellows and not a dollar by himself. The land value of this lot was its rental value, at least $10,000. I did not learn its assessed value, but if like the real estate average in Missouri, city and country, its assessment value was probably $2,500 or $3,000.

This is the picture I present to you, and I submit that the question is worth candid thought and study, and that no one can afford to blindly condemn it. As at present advised, I believe that adoption of the amendments 6 and 7 promises betterment to our great state.

IRA K. ALDERMAN.

TRY FOR IT AGAIN

WANT THE SHORT COURSE HELD HERE THIS YEAR.

GOING AFTER APPLICANTS

Committee Appointed to Solicit Among Farmers and Try to Arouse Interest.

Maryville will not have much chance of securing a branch short course in agriculture this year unless some hard work is done and more interest is taken in the matter. J. F. Hull who was in Columbia, Mo., Saturday had a talk with Dean Mumford of the agriculture college of the State University and was informed that there were 150 applications already in for these short courses, and that the state college of agriculture would only conduct ten or twelve of these courses. Mr. Hull was also told by Mr. Mumford, who is in charge of these courses, that the college did not want to conduct these courses in the same towns that they were in last year, but that they would if sufficient interest and a large enrollment is secured.

Mr. Hull, who is secretary of the short course executive committee called a meeting of that committee, which was held Tuesday morning and it was decided to commence work at once on securing names of the farmers of the county who will attend this course. The members of this committee are D. R. Eversole, S. H. Kemp, J. F. Hull, W. M. Oakerson, F. C. Conrad and W. O. Garrett. Mr. Garrett takes the place of Adolph Lippman on the board, as Mr. Lippman resigned.

The committee also decided and appointed a committee to go in automobiles over the county to secure the names of farmers who are interested. The tour will be made Friday and the men selected to make the trip were:

E. A. Baker, Ben Chandler, Byron Croy, Prof. John E. Cameron, C. J. Eckert, W. O. Garrett, H. W. Hull, Henry Moore, A. R. Harper, Ernest Wray, W. W. Jones, Andrew Jenson, D. F. Mitchell, Geo. W. McMurray, G. H. Null Lon White, Lawrence Ogden, J. I. Hoffman, Fred Hull, D. R. Eversole, Frank Roelofson, C. D. Bellows, Ernest Bainum, R. H. Duncan, Guy Mutz, Paul Sisson, J. L. Partridge, Rev. C. R. Green, I. O. Kelley Geo. B. Baker, James Todd, Jos. Jackson, Jr., John D. Richey.

The application blank with the names of those who will attend the course, will have to be sent in by November 14. It is thought that if a large number are enrolled, that there will be no doubt about Maryville getting a course of agricultural lectures.

M. U. BOYS GOOD STOCK JUDGES.

H. C. Heaton Won Second at Chicago Dairy Show Among Forty-Two Contestants.

In competition with forty-two students representing fourteen agricultural colleges in the United States, H. C. Heaton of Nodaway county, attending the University of Missouri, won second place in the individual stock judging contest at the national dairy show, which just ended in Chicago. He will receive two scholarships, each for $400. He won first place in the judging of Jersey cattle. While the Missouri team was fifth, the four winning teams from Nebraska, Iowa, Kansas and Pennsylvania were coached by University of Missouri graduates.

IF A LAXATIVE IS NEEDED—"CASCARETS"

Salts, Calomel and Cathartic Pills are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowels action; a clear head and cheerfulness for months. Don't forget the children.—Advertisement.

'Twas a Gay Hallowe'en Party.

Mrs. R. P. Hosmer gave a Hallowe'en party Saturday afternoon for her daughter, Margaret Louise, some forty of the little girl's friends enjoying with her their first experience in meeting the witches and other strange creatures of this funny time of the year. Mrs. Hosmer was assisted in entertaining and serving the little folks by Miss Elizabeth Leet, Miss Lucile Wright, Miss Marie Brink, Miss Pearl McClurg and Misses Ola and Ora King. The rooms were all darkened and lighted throughout by jack-o'lanterns, each electric light showing a fiery red face, and the elaborate use of red haws and popcorn strung over a rich profusion of autumn leaves made a place bewitching as could be, and it was no wonder that real witches with black faces and dressed in white, and black cats and owls came to the party, for it was just such a beautiful place they live in all the time, and they had a right to to come. Some of the grown people there thought it was a terribly spooky place, but all the children were completely charmed by their surroundings, for they had all been good and not one had any reason to fear the presence of the good witches. One of the witches had a booth and gave each guest a hot potato and a cold oyster when they held out their hand to her through an opening in the booth. Some of the big folks were frightened when the witch gave them their treat, but none of the little folks were, for they had all been good, you see, and one little girl asked her mother what kind of a little animal it was that licked her hand when she got her treat from the witch. In the peanut contest, Forrest Martin and Donald Bellows cut for the boys' prize, Forrest winning, and Halcyon Hooker won the girls prize, both of which were peanut men and women. Pauline Eckert won the prize in eating apples from a string, a red apple with a black cat pin cushion on top. There was a fish pond, too, and everybody fished a Hallowe'en favor from it. In the dining room a regular Hallowe'en luncheon was served from the dining table, and it certainly was beautiful. A large basket made of autumn leaves and filled with red apples was placed at each corner of the table, while in the center was a huge jack-o'lantern. The sideboard was banked with autumn leaves and lighted with jack-o'lanterns. The napkins were covered with pictures of black cats, owls and witches. The refreshments were brought in on plates by real witches, and consisted of miniature pumpkin pies, ginger bread cookies in the form of ducks and cats with currant eyes, popcorn balls, apples and sweet cider.

The little guests included: Mayme Grimm, Odette Wilderman, Louise and Alice Peery, Harriett Miller, Mabel and Evelyn Raines, Mabel Geise, Genevieve and Mary Todd, Esther Roseberry, Eva Margaret Frank, Opal Moss, Melba Barber, Victor Moore, Jr., Homer Ogden, Donald Bellows, Pauline Eckert, Ethel Martha Condon, John Sewell, Jr., Forest Smith, Harold Miller, Halcyon Hooker, Robert Westfall, Virginia Bell Dean, Joseph Ford Jackson, Orrell Anderson, Marvin Catterson, Helen King, Stanley Davis, Harold Kemp, Forest Martin, Marvin Westfall.

This Cushion Gives You Extra Wear

That's one of the things you'll like about Dr. A. Reed Cushion Shoe. It's not only the easiest shoe you ever put your foot into, but it wears much longer than ordinary shoes. Gives you months of extra wear—simply because the soft cushion insole spreads your weight over the whole sole—spreads the wear over the whole sole, and takes up the jarring and the grinding that wear through a common leather shoe so quickly.

Dr. A. Reed Cushion Shoe

Make it your business to come in tomorrow and see this shoe. There is nothing like it if you have to be on your feet much—for it does away entirely with tired, aching, burning feet—ends corns and bunions and keeps your feet normal and healthy. Makes walking easier—saves shoemaker bills. Let us show you the many styles tomorrow.

TEMPORARILY AT PEACE IN CUBA

Leaders of Rival Political Factions Sign Truce Agreement.

GOVERNMENT IS STILL VIGILANT

Cavalry Patrols Doubled and Armed Troopers Ride Principal Streets of Havana—Wild Rumors of Plots and Counterplots.

Havana, Oct. 29.—The leaders of the rival parties having signed an agreement to suspend all political meetings and having requested the partisan press to abstain from exciting utterances, it appears reasonably probable that no further political disorders will occur.

The election will be held November 1, and the government is not relaxing its precautions to crush in the bud any outbreak.

Zayas Confers With Gomez.

The cavalry patrols were doubled at night. Troopers, fully armed, are riding in pairs in the principal streets, but there is no sign of trouble.

Alfred Zayas, with various liberal leaders, had a conference of several hours with President Gomez and Secretary of State Sanguily. Senor Zayas said afterward that the conference related solely to complaints received from various parts of the island that rural guards were behaving unfairly towards the Liberals with the apparent intent to intimidate them and deter them from going to the polls.

Absolute Fairness Promised.

Senor Zayas also said the president had given assurance that he would see to it that absolute impartiality was observed by the rural guards and the police.

Various rumors are current. One had it that a plot had been discovered in which the police were implicated, to shoot Gen. Mario Menocal, the Conservative candidate for the presidency, from ambuscade during the passage of the Conservative procession.

Another was that the Zayaistas contemplate remaining away from the polls, alleging the impossibility of winning the election for the reason that the whole influence of the administration had been thrown in favor of Gen. Menocal. The Conservatives, on their part, accused the administration of favoring Alfredo Zayas.

DECISION IN KANSAS RATE CASE

Interstate Commerce Commission Refuses Reparation to Ottawa Nurseryman.

Washington, D. C., Oct. 29.—It was held by the interstate commerce commission as a principle that "where there are two routes between the same points over which different rates apply, a shipper who elects to ship his traffic over the route carrying the high rate is not entitled to an award of damages merely because a lower rate was in force via the other route."

This was laid down in the case of A. Willis & Co., of Ottawa, Kan., against the Atchison, Topeka & Santa Fe railway and others, the commission declining to grant reparation on shipments of nursery stock.

MAY SETTLE STANDARD OIL CASE

Taking of Testimony Stopped Pending Probable Sale to Waters-Pierce Interests.

New York, Oct. 29.—The taking of testimony of John D. Archbold in the Standard Oil-Waters-Pierce litigation was postponed until Thursday, pending the determination of negotiations to settle the suit out of court. Although counsel for neither side would discuss the case, it became known that Mr. Archbold, John D. Rockefeller and other Standard Oil interests offered to sell their holdings in the Waters-Pierce company to H. Clay Pierce, thus settling the fight for control. The deal would involve $3,000,000, it was said.

Boy a Good Stock Judge.

Columbia, Mo., Oct. 29.—In competition with 42 students representing 14 agricultural colleges in the United States, H. C. Heaton of the University of Missouri won second place in the individual stock judging contest at the national dairy shows, which just ended in Chicago. He will receive two scholarships, each for $400. He won first place in the judging of Jersey cattle.

A Bishop Twenty-Five Years.

St. Joseph, Mo., Oct. 29.—The silver jubilee of Bishop Maurice F. Burke of the Roman Catholic church was observed here with pontifical high mass at St. Joseph's cathedral and a dinner to the clergy at the cathedral residence. At the request of the bishop, no invitations to the celebration were extended to churchmen outside St. Joseph.

Bryan Goes to Oklahoma.

East St. Louis, Ill., Oct. 29.—With a speech here, W. J. Bryan completed a tour of Illinois in the interests of Democratic candidates from presidential down to legislative. He departed for Oklahoma, where he is to make another series of addresses.

UNTIL 1922!

Here's The Answer!

Our 1912 Pianos and Player-Pianos are guaranteed until 1922. To impress this fact upon your mind we have for the past week published in the newspapers the words "Until 1922." Now do a little reasoning on your own part. Don't you believe that anything guaranteed that long, be it a motor car, watch, Piano or Player-Piano, is a pretty safe article to buy? If it shows no defects in material or workmanship in ten years will it not be likely to last a lifetime?

Monday, October Twenty-Eight, We Open

The Finest Piano Store West of Chicago

The new Field-Lippman Piano Store offers to Maryville and Nodaway county people, all the advantages enjoyed by those who live in the big cities. You may now buy the world's greatest pianos, player-pianos and talking machines at the same prices as the man in New York, Chicago or St. Louis. From the time we opened our Maryville Store we were determined that it should equal any piano store in the country, both in quality of goods offered, lowest prices, and service.

The fact that we buy for eight big stores and for cash, has always assured you highest quality pianos at city prices, and we have spared no labor or expense to make our service meet your wants in every respect.

In order to further improve our service we have leased for a term of years, the fine storeroom at 208 North Main street, and which has been decorated at great expense by the owner of the building and by us. No city in the west has a finer, more beautiful piano display room. We shall now be able to give you better service in every way by reason of our new and larger quarters, which your increasing patronage has made necessary.

The Field-Lippman Pianos

These pianos are made according to our plans and specifications, under our direct supervision. Cost of materials and workmanship has been absolutely disregarded—the very best of each that money can buy being used in the manufacture of Field-Lippman Pianos. Service

The motto of our new Victor Department is "Immediate Service." We could conceive of nothing that would please so many people as "Immediate Service." Therefore, we have arranged for the immediate delivery of every order received—especially records.

NOTE—If, for any reason, you must have records for the same evening or even afternoon, call Hanamo 160 or Bell phone 45 and give us your order—the records will be there on time.

Every Victrola made is here on display—from the modest $15 Victrola IV, to that most perfect of all musical instruments, Victrola XVI, which sells for $200. No matter what priced Victor you buy, you are sure to obtain the wonderful Victor tone, for the same disc records are used on all Victors and Victrolas. We invite you to a demonstration of the Victrola in our beautiful new Victor Department. Courteous attendants will show you our complete stock, and play as many selections as you may wish to hear. Victors or Victrolas may be had either for cash or on easy terms—as low as $1.00 a week—any one may now own a Victor.

Records

Here are gathered the world's musical treasures. You may hear the wonderful voices of Caruso, Dalmores, Plancon, Calve, Eames, Farrar, or Schumann-Heink—the marvelous violinists, Kubelik and Mischa Elman, and the famous Paderewski on the piano. Herbert's Orchestra or Sousa's Band will play for you—you may listen to beautiful quartet music, male choirs, light opera—all the grand operas and classics are yours to command. The price of this wonderful entertainment is trifling—a few years ago it could not be bought at any price—today many double records may be had for as little as 75c, and don't forget that you may order from your catalogue by phone, Hanamo 160, Bell 45, and get Immediate Service.

We invite you to come and see us. Bring the family and let them enjoy the music. Hear the latest Victrola songs and band concerts. Listen to the new music rolls played on the player-piano—or play them yourself—come and see a real piano store—you won't be asked to buy.

BARNARD.

Robert Bridges and wife have returned from their extensive visit to the east. They report a delightful and profitable time.

Rev. Mr. DeWitt, pastor of the M. E. church, South, returned home Saturday from Hamburg, Ia., where he has been assisting the pastor of that place in a meeting.

Rev. W. E. Royston made a lecture tour through the northern half of Andrew county last week in the interest of the Missouri Wesleyan college, and reports a successful campaign.

Mr. Will Rasco is out to his father's place this week painting a barn.

Dale Whitehurst, the new editor of the Barnard Bulletin, has improved our local paper in many respects, and his success is very hopeful.

The Commerce club of St. Joseph created quite a stir in Barnard last Thursday with their splendid music, novelties and speeches. May they return soon.

Rev. W. E. Royston preached his first sermon for this conference year Sunday morning to a large crowd. His text was taken from I Cor. 3:9. The leading thoughts of his sermon were: Work, co-operation and consecration.

Mr. M. V. Baker and wife returned Wednesday from a six weeks' tour in the west.

Mr. Alcuzo Loffer of Imperial Valley, Lower California, is in our midst. He is being "shown" by C. T. Graves, and hopes to take back with him a lot of Missouri Jerseys. Mr. Loffer tells of one hundred men forming a co-operative creamery, investing one hundred dollars each. At the end of twelve months after opening for business they had made one million and forty-one thousand pounds of butter, and returned $30 to each member of the company and had to their credit in the bank $11,426. It is proposed to place two thousand more Jersey cows in the community. Many of our people need not be told that this marvelous wealth producing section was once the Salton sea. The place that is "hotter" is not on earth.

Fortunes in Faces.

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions, blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. Twenty-five cents at the Orear-Henry Drug Co.—Advertisement.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well.

I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you.

It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui.

Your druggist sells and recommends it. Get a bottle from him today.
